Explanatory Memorandum

Item 1 Financial Statements

The Corporations Act 2001 requires the Financial Report, Directors' Report and Auditor's Report for the past financial year to be tabled before the Annual General Meeting, and the Company's Constitution provides for such Reports to be received and considered at that Meeting. Neither the Corporations Act 2001 nor the Company's Constitution requires a vote of Shareholders on the Reports. The Annual General Meeting provides a forum for shareholders to ask questions and make comment on the Company's Reports and Accounts and on the business and operations of the Company for the year ended 31 May 2022.

In addition, shareholders may at the meeting ask questions of the auditor in relation to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company for the preparation for the financial statements, and the auditor's independence in relation to the conduct of the audit.

Members may submit written questions to the auditor in relation to the above items. Any written questions to the auditor must be submitted to the Company five days before the Annual General Meeting.

A full copy of the Annual Report is available on request from the Company and can be viewed on the Company's website (<https://magnetica.com/about/investor-downloads/>).
